

METAL BUNK BEDS

Inmate bunk beds for jails are the same as those used in prisons throughout North Carolina. These beds are available in both single and double beds and are made of carbon steel with spring platform for mattress.

Also available are custom options to accompany the beds

- *stainless steel mirror*
- *wall mountable tables*
- *carbon steel lockers*
- *and an endless variety of custom options to built to your needs.*

Please contact sales or customer service for more information.
