

Reduce repetitive strain injuries, recharge your metabolism and curb obesity.

According to studies, employees at adjustable height workstations are healthier and significantly more productive.

HEALTHY DESK. HEALTHY YOU.

THE **NEW** SIT-TO-STAND DESK

Not Just Making It Right. Making It Better.

The Smart Choice. The Right Choice.

We engineer the sit-to-stand desk with precision and to the highest standards of quality and functionality. Like you, we are committed to the well-being of employees and to changing the workplace one desk at a time.

The new Sit-to-Stand Desk from Correction Enterprises is simple... and effortless. There is no bulky, heavy pedestal or base that rests on an existing desk. **There is nothing to lift... except performance and productivity.**

Free delivery and no assembly required.

Column design features durable construction using military-vehicle adhesives to create clean lines without holes, crimp marks, or weld splatter.

Standard ISE control with up/down switch that moves the work surface with the push of a button. Four user-programmable height settings.

Work surface material is high-pressure laminate. Load capacity of 125 lbs. Standard color is graphite, but other standard options are available.

Dual-stage legs smoothly adjust work surface height from approximately 22 1/2" to 48 1/2", allowing virtually all workers to sit and stand in ergonomically correct positions.

Low profile foot offers a sleek, modern aesthetic.
